≡ REQUIREMENTS FOR CONFERENCE ABSTRACTS ≡

Conference abstracts should be 2–4 pages in length and prepared in A4 format using Microsoft Word. The text should be typed with single line spacing and a first-line paragraph indent of 1.25 cm.

Page margins:

- top and bottom – 20 mm;
- left and right – 25 mm.

Title: Times New Roman, 14 pt, bold, uppercase letters, cantered.

Author information: the author's surname and initials should be provided below the title, together with the academic degree and academic rank, if applicable. Font: Times New Roman, 12 pt, bold, cantered. The full name of the author's institution should be indicated on the following line.

Main text: Times New Roman, 14 pt.

Formulas: formulas should be prepared using Microsoft Equation Editor and centered. Equation numbers should be placed at the right margin.

Figures: figures should be centered. The figure number and title should be placed below the figure in bold, for example:

Fig. 1. Figure title

Tables: tables should be cantered. The table number and title should be placed above the table and cantered, for example:

Table 1. Table title

Abbreviations and symbols for physical quantities should be given using Latin characters in accordance with the International System of Units (SI).

≡ STRUCTURE OF THE ABSTRACT ≡

The conference abstract should include:

title;
author(s);
institutional affiliation;
introduction;
materials and methods;
results;
conclusions;
references.

The heading "References" should be typed in bold, preceded by one blank line.

≡ FILE SUBMISSION REQUIREMENTS ≡

The abstract should be submitted as a Microsoft Word file (.doc or .docx).

The file should be named using the author(s)' surname(s), for example:

Kovalenko_Soroka_Ostapchuk.docx

≡ PARTICIPATION IN THE CONFERENCE ≡

Abstracts should be submitted by October 1, 2026, via e-mail:
mnppconf.ieub@ukr.net

The conference proceedings will be published in a collection of conference abstracts.
